

# Gutter Cleaning

North Landscaping (Woodland Hills' contracted landscaper) will once again be offering gutter cleaning services at a group rate for Woodland Hills residents. Work is expected to take place December 12-13

weather permitting. North will blow leaves off of roofs (they will land in yards where the resident will then be responsible for them) and will hand clean the gutters. They will also spot check for problems with the gutter/downspout system and provide a summary of recommended repairs. All of these services will be performed for \$30. Please make checks payable to "North Landscaping" and bring them to Bryan Welsh at 200 High Timber Court by December 11<sup>th</sup>.

---

# Sidewalk Shoveling

For the first time, North Landscaping will also offer private sidewalk shoveling. Each time the HOA calls Nathan to clean common ground sidewalks he will also clean interested party's private sidewalks. The private sidewalk work will be done after the common sidewalk work is finished which occurs usually within 12 hours of snowfall stopping. Each cleaning will cost \$10.

Driveways will be an additional \$20 per cleaning. If interested, provide your name and address to Bryan Welsh at 200 High Timber Court by December 11<sup>th</sup>. Once on the list, Nathan will clear your walk and bill you at the end of the season in March.

Place checks and names/addresses in box  
outside door at 200 High Timber Court.
